The full round must be played unless an overall result on holes up has already decided the event, when the defeated team may concede the match before completion of 18 holes. Except where the draw specifies that one game should be played in each club contesting the match, in the case of a tie, the second match as selected, shall immediately continue one hole at a time until there is a winner. Where one game is played in each club contesting the match, the pairs playing in the club drawn on top will continue one hole at a time until there is a winner. The pairs contesting tie holes must maintain their respective orders of play in which they played from the start of the match. iv) If tied, match 2 continues in a hole-by-hole playoff. e) Handicapping: <ul style="list-style-type: none"> i) Players must have a Handicap Index at the time of playing that is not higher than 12.0 (ie, if a player's Handicap Index is higher than 12.0, they must use an index of 12.0 to calculate their Course Handicap). ii) To determine Strokes: Each player uses their current Handicap Index to calculate their Course Handicaps. (Any player with an index higher than 12.0 must use 12.0). The pair then add their rounded Course Handicaps together and the pair's Playing Handicap is 50% of their combined Course Handicap. In Match Play, 50% of the difference between the two pairs' combined Course Handicaps determines strokes given or received.
