BOOKING SYSTEM

ONLINE TIMESHEET BOOKING SYSTEM

Nenagh Golf Club utilises an online system for our timesheet booking. The system is called BRS Golf.

When you receive your 8 digit Golf Ireland number you can register an account with BRS.

To register, navigate to the below page and enter the details as required.

<https://members.brsgolf.com/nenagh/login>

Once registered you can download the BRS App, log in, and book casual rounds or competition rounds.

RULES FOR BOOKING

- Only book in players that will be playing. Holding spaces is not permitted and may result in a reprimand by the club's committees.
- Timesheet blocks may be booked for societies, competitions, or course maintenance. Golf booking will not be available during these times.
- No golf is permitted before 7am or before the first available time on the timesheet.
- Casual/competition booking opens up 5 days before play at 9pm.
- Nenagh Golf Club also uses a purse system for busy periods. Competition entry must be paid for at the time of booking to ensure all players on the timesheet at these times are turning up and competing in the competition.
- Purse booking opens up 7 days before play at 9pm.
- Any changes to timesheet policies will be communicated to the membership.
- Certain categories may be restricted to certain times. For example, a Junior who has not completed their etiquette training will be limited in when they can book to play golf.
- Certain competitions may have restrictions for who can book, for example, 3 per line only, or specific category competitions.
- The timesheet is managed by the men's and women's committees.

The timesheet rules are in place to ensure all members have a fair opportunity to play.
